

GOOD SHEPHERD MISSION HOSPITAL

Vasanthamma age 55, come from very poor family. She is blessed with two sons and two daughters. She was suffering with fibroid uterus of 3kgs. She was suffering from

high bleeding & white discharge. Doctor declared this is due to first stage of Cancer. Her husband goes for daily wages, and earn meagre money which is not sufficient for maintaining of her family and to go for treatment for this problem. she is suffering like this for many years. By the grace of god they heard GSM hospital is helping and came to our hospital. Hysterectomy surgeries have

been conducted, and removed 3kgs of uterus and appendix. She is fine now. Praise the Lord...

Jaila age 39 suffering from ovaristist and also uterus infection. Because of this She is having white discharge and the other gynec problems. She come from very poor family not able to afford the cost of the surgery.

At last she came to our hospital and doctors worked on her surgery and removed infected uterus and also enlarge stomach problem. doctors took long time for her surgery. She is fine now. Praise the Lord.

Mallika age 39 years, suffering from stomach pain, white discharge, back pain since three years. she became very weak; because of her enlarge uterus. she come from very poor family background. by god's grace she heard GSM hospitals helping. At last she came to us and got uterus removed. Praise the Lord.
