**Bible Lesson:** Matthew 26:26-28 (NIV)

*While they were eating, Jesus took bread, and when He had given thanks, he broke it and gave it to his disciples, saying, "Take and eat; this is my body."*

*Then he took the cup, and when he had given thanks, he gave it to them, saying, "Drink from it, all of you. This is my blood of the covenant which is poured out for many for the forgiveness of sin."*

If you would like to make communion special for Holy Thursday and Easter Sunday, consider making your own Communion cup. At the end of this lesson you will find the easy directions.

### **Prayer:**

After the Lord's Supper, Jesus went to the Mount of Olives to pray.

Maybe you would like to learn one way to pray. Just hold your hand up in front of you.

Your thumb is closest to you, so pray for those close to you. Your pointer finger reminds us to pray for those who teach us: our teachers, our preachers, our police officers. Your middle finger is your tallest finger. Pray for those in high places like our president and leaders of other countries. Your ring finger is your weakest finger. Pray for those who are sick. Pray for our shut-ins. The little finger is the finger far from our body. Pray for those in faraway places. Pray for our missionaries.

God answers Prayer!

Pray without ceasing.

### **Activity:** Making a Communion Cup

Begin with a square piece of paper. Computer paper works well. The smaller the square, the smaller the cup. (Practice with a larger square first.) See photo.

1. Fold the square in half.
2. With the fold horizontal, fold one point across to form a triangle at the top.
3. Fold opposite point across to meet the opposite side.
4. Fold the triangle down. Top layer down on one side, bottom layer down on the other.
