THE HEART OF GOD IN MUSIC THOUGHTOUT

THE AGES resumed its weekly meetings on Wednesday, January 13th, at 7:30 pm. The group will continue their study of music and how it relates to our faith, focusing on songs that are hidden in Old Testament and New Testament passages, as well as portions of the book of Psalms.

Along with this music focused small group, another "sub-group" called, **TIME TOGETHER - NO AGENDA**, will meet weekly from 6:45pm-7:15pm, just prior to *The Heart of God through the Ages*. Chuck and Linda Ebersole will carry out the hosting duties on Zoom. Carol and Jim are willing, from their home, to welcome anyone who wants to drop in and visit via ZOOM. Participants are invited to bring a cup of tea, coffee, cocoa or whatever they wish, and enjoy conversation and a time of sweet fellowship. Participants may come in for the **Time Together - No Agenda**, then either leave or stay for the study afterward.

From Richie Weitzel, DCE

Join us as we take advantage of our distanced situation and consider the work of understanding the way God has wired us and equipped us as image bearers. We will be examining the inner wisdom models of **The 9 Spiritual Pathways** and the **12 Spiritual Powers** in order to do this. In understanding the inner life of ourselves, we will be prepared to live to more fully live and act in ways that bless the world.

I invite all of us - not just children and parents - to come and explore what it might be like to live out of this deeper sense of identity, inheriting the kingdom of God in the way that Jesus instructed us to - as like little children!

In its first words on the subject of citizenship, Congress in 1790 restricted naturalization to "white persons." This racial prerequisite to citizenship endured for over a century and a half, remaining in force until 1952. To understand our current reality, it is important to understand the racial dynamics that are part of our history in the United States. Together we will explore the history of White Supremacy, beginning with the Doctrine of Discovery.
