We are an Equal Opportunity Care Provider

Wyomissing Valley Preschool is an outreach ministry of Calvary United Methodist Church of Mohnton. As such, we recognize the importance of raising children with Christian values.

We are a **licensed Childcare and Preschool** following all Department of Human Services (DHS) regulations. We also are proud to participate with **Keystone STARS** quality programming and accept Early Learning Resource Center funding for those who qualify.

It is the philosophy of Wyomissing Valley Preschool that childhood is a time when children learn about their world through play, exploration, and discovery. It is a time of making new friends and sharing new experiences. We provide an environment where children can feel accepted and safe while having fun and learning through play.

The preschool's purpose is to provide an atmosphere that fosters the intellectual development of each child along with his/her social and emotional maturity. Our teachers strive to encourage each child's creativity, curiosity, and enthusiasm for learning through various individual and group activities.
