Greetings and Happy New Year, church family.

We hope you are doing well; safe and warm. I would like to provide an important update regarding Calvary Care Early Learning Center.

Our director, Stacey Hanley, has resigned to pursue another career opportunity and is no longer part of the Calvary Care Early Learning Center. We thank her for her 23 years of service and wish her well in this next chapter.

We are truly blessed to have two very capable, qualified and dedicated Assistant Directors, Sonja Matthews and Crystal Adams-Sleboda, who will continue to provide steady leadership and care for our children and families during this time of transition.

The Staff-Parish Relations Committee, along with members of the Calvary Care Board, are prayerfully working through the process of hiring a new director. As part of this, we are following the guidance of the Methodist Conference Book of Discipline to help clearly establish church and school rules and boundaries, and to strengthen how we support the shared mission of Mohnton Calvary United Methodist Church and Calvary Care Early Learning Center.

We have also been blessed with the support of Pastor Ethel Guy, who was recommended by the Methodist Conference as a resource to us. Pastor Ethel has led her churches school for the last 14 years in Linwood Heights and has already been a wonderful source of wisdom and encouragement to our board, Pastor Nova, and our school leadership.

Over the past couple weeks, the SPRC and several members of the CCELC Board, have been in discussion of the hiring process and have met with Sonja Matthews and Crystal Adams-Sleboda, the Assistant Directors, to listen to their insights, concerns, and needs as we move forward together. I am pleased to share that Sonja Matthews has graciously agreed to serve as Interim Director while we conduct the search for a

regular director. This appointment has been presented to and approved with mass majority by the board of directors.

Due to Stacey's resignation, we are starting a search for a regular full-time Director. If you know of anyone interested and qualified, please drop off to the church office during office hours or send a CONFIDENTIAL resume to the church ADMINISTRATOR and cover letter to [Administrator.calvmohn@comcast.net](mailto:Administrator.calvmohn@comcast.net).

Minimum qualifications are an associate degree and related field experience running an early learning center. The Job Description has been reviewed and in final stages of completion. The hiring team will be back in touch once reviewing all resumes and applications of interest and available to answer any questions.

We are deeply grateful for your continued prayers and support. For 50 years, Calvary Care has been a vital, Christ-centered ministry of this church, touching countless lives. We trust that God will continue to guide us with unity, wisdom, and faithfulness in the days ahead. We will keep you informed as more information becomes available.

Thank you, and God bless.

Susan Gross
